

Spring Celebration of War and Peace

20th March to 22nd April

The Christian European people

Will celebrate everywhere where they are on the Planet the European Culture and European Religion... (Christian and pre-Christian European Culture and Civilization as well as the modern truths of life/ existence). We will celebrate our biological survival (by blood, as a race), freedom and happiness... We will also celebrate all of our suffering (defeats/ losses) and all of our martyrs, heroes and normal working people that have contributed to our existence in truth and reality... In the spring celebration we will also celebrate the contribution (VICTORIES that we have in our history/ existence) to humanity... the contributions that we have been making worldwide and to all the human races of the world... For this, all the people of the world shall thank us... and we shall thank them for all of their contributions. We will celebrate all of our defeats and all of our victories from 20th March to 22nd April (every year), a total of 33 days in remembrance of Joshua of Nazareth. He was 33 years of age when he was crucified for speaking the truth against inequity/ evil/ exploitation/ corruption. You will make laws in all the Christian Countries of the world in order to make this celebration official by law... for the same period of time in every year... In all Christian countries without exception... Your very life depends on this... Do you understand? If necessary you will wage even war... Until nobody stops or opposes you to be Christian in you fore-fathers Christian Founded Countries. Remember in all Christian countries our ancestors have lived and died (sweat and blood) in order to build the country... in order for you to have it for all eternity... Thank them... The end goal is world wide peace without oppression in truth... in Infinite Reality.

ATTENTION! Remember and be aware... 33 days of cultural, historical and religious, spiritual holiday and diplomacy (CULTURAL EXCHANGE)... Those 33 days are for the celebration of our existence, survival (war and peace) and the contributions that we have given to all the other people of the planet in the last 72.000 years from Neanderthal to the Cro-Magnon all the way to the Modern Man... As well as the contribution that we are going to make to the future/ evolution of the future man/ woman... to the Human Race of the future... In strong, bold peace.

On the 8th of April of every year, you, the European Christian People will celebrate the day of the Life Giving Sun/ Blessing of the Sun/ Birkat Hachama (and every 28 years you

will make a bigger celebration than the normal yearly celebrations, the last big celebration has been done by the Hebrew/Israel/Jewish people on the 8 April 2009). You will celebrate (Birkat Hachama) together with the Hebrew people in respect of the reciprocal contributions and conflicts (war and peace) between the European people and the Hebrew people along the course of our history (if they want to). Attention! One big prohibition exists... There shall be no other celebration world wide on the 8 of April other than the celebration of the Life Giving Sun/Birkat Hachama on that day. This must include the promotion of the five (5) big language families of the Latin, Germanic, Slavic, Iranian and Semitic languages plus Baltic, Celtic, Greek, Armenian, Tatar and Turkish languages. We must also celebrate what we have received from Native Americans and contributed to the Native American People (they are Ancient People and in the future you will discover that in your past you had something in common with them). Restore them to their former greatness... as well as all the other Ancient Euro-Asiatic people of the world. We must also celebrate all of our contribution that we have made/given to the Ancient Chinese Civilization and Culture and for everything that we have received from China, from the Middle East, North Africa, Africa, India and all of North-, South- and Central America as well as all the Pacific Rim Area peoples... Including you must help the Ancient Aborigines of Australia/ New Zealand. All the European Countries and their descendants world wide must never do war on each other (only for defense if somebody does the unthinkable). Christians/ Europeans shall never do war or kill each other... Unless it is in self defense... The aggressor/ attacking party is the guilty party (if something bad happens) and he will be punished by just and correct retribution. We must restore mankind and the world... in balance, in truth, in reality... in All Life... Do you understand?

You must celebrate/ meditate/ contemplate/ pray (you must also be very politically active in this period of time in order to promote and strengthen all the good Christian Family Values in the Government/ Community and with normal everyday type of people) for the whole 33 Holy Days in every and each year of our/ your existence for the next 6000 years by going to work (in your working days only if it is necessary) but in (your free time) each one of this days you must invest the time to ensure your present and future existence and celebrate the past (cultures, traditions, our history)... And every "week-end" in this period must be made as special as possible. We must mention everywhere/ every-time our contribution to the other people of the world in this period of celebration in each and every year from now (2022) to the end of times. And at the same time, thank them for the contributions that they have given to us as people... If they help us make a better world we shall reward them. If they are trying to destroy or molest us we shall give them hell/ retribution by The Law of Reciprocal, aka. The Big Law of Nature. We must thank/ bless everybody that has contributed and will

contribute to humanity. Do you understand? Do this if you want to live... to be alive. Make it happen in all Christian Countries beginning now in 2022 Anno Domini.

Basically those 33 days of celebration and spiritual rebirth in every and each spring after the passing of each year winter, must be a World Wide Celebration (in time of war or peace, or pandemic... no stopping or exceptions allowed) and a time of Collective Human Happiness. In this period of 33 days from 20 March (in remembrance of the Corona Pandemics/ Politics of 2020-2022, a great tragedy) until 22 April (in remembrance of the Christian Russian Federation war of aggression against their brothers the Christian Ukraine Nation war of defense in 2022, a great tragedy). You must do your best to stop this Christian fratricide/ brotherly war now... STOP THE WAR IN UKRAINE NOW. Just do it. So be it.

Our Governments shall listen to us... This we will demand in Christian Values and in Democratic Human Values... This we will demand by the Ancient European People Law of the Land. If you do not respect us we will restore the ANCIENT EUROPEAN LAW OF THE LAND (reciprocal war or peace) in full force.

We must celebrate our survival, freedom and happiness in truth and in reality (in times of war/pandemics or peace with no exceptions)... In All Life...Forever. So be it. You must make this celebration OFFICIAL LAW/ CUSTOM/ TRADITION in all historically Christian Countries of the world if you want for you and your Christian European People to survive, be free and happy for all the ages of all times under the No Name God in the No Name Religion... in Absolute Existential Truth. This is the great gathering of the people. The 8th Day/ period of time. The truth shall overcome the lies. DO IT. So be it.

Now before I end this letter I want to mention some things from the bible and please understand that Judeo-Christianism has its roots in Avram/Abraham and Joshua of Nazareth among many other prophets, kings, holy men, etc. I don't want to make a long story... so, I will tell you just couple of things about that.

1st) Avram (a sheep herder) and Joshua of Nazareth were from the blood line of the Hebrews (Hebrew means I cross the water, or I cross on the other side of the water)... The Hebrews were people from the Black Sea People/Area (by Noah, by the ark/boat, which probably was the original crosser of the water [the Black Sea water] from their family) via Mountain Ararat (which in the ancient language of the Ancients means the [plowed land] on the mountain, equals agriculture...). Think and see this in your mind eyes and you will understand from whose blood line the Ancient Hebrews People come from... From the Northern part (other side from Mountain Ararat) of the Black Sea where Romania, Ukraine, Bulgaria, etc. is today, an area of the world that is called in

anthropology/ pre-history the “Ancient European Civilization” and pre-dates all other major Ancient Civilizations with houses/big villages of the world by thousands of years. It is a well known fact among academics/ truthful scholars for a long, long time. This is the truth. Facts are facts. So when (Hebrew, Israel, Jewish) people fight against the Europeans they fight against their own people without realizing what they are doing. On the other hand when the European people fight or persecute without cause the (Hebrew, Israel, Jewish) people without knowing and/or being aware (forgotten historical memories) they are fighting their Ancient Brothers just like the fratricide (European Christian/non-Christian brothers kills his European Christian/non-Christian brothers today, now in 2022) that happens now in Ukraine under the Russian aggression. And this is not by coincidences. No, somebody desires with intention for one of the home lands (with the archaeological evidence in it) of one of the original people to be destroyed... as well as the Slavic People to destroy themselves. Attention! Putin is no true Christian... that is for sure. I ask on all honest Jewish People to help all the honest European People to stop the war over there in Ukraine in order to be able to do the “Tikkun Olam”(repair/restored the world). I ask all intelligent spiritual people of the world that live in truth by the truth to help in visible and invisible ways for this to come to fruition... to happen. So be it.

2nd) Genesis 12:3 Context.

“And I will bless them (that speak the truth and do only the truth in life) that bless thee, and curse him (the ones that lie and do the corrupt works in the world) that curseth thee: and in thee (the worker of only good things in truth by truth) shall all families of the Earth be blessed.” All parentheses are by me.

Because I know the truth and I speak the truth, I have put all the explanatory truthful words in between the parentheses in order for you to understand the truth in all clarity that are spoken /written in this bible verses. In order for you to understand truth in truth. I ask you to please think very deeply of the truth that you have found out in this letter. Us and them, we are one (if they are truthful)... them and us, we are one (if we are truthful). Just like my hand has five fingers...and they are all different...not one finger is the same with one an other... but more than this I have one finger (the thumb) that constantly opposes the other four fingers for everything to work good in order to write(hold a pen or a knife, etc.)or eat. What would I do without the opposable thumb?

So the doers of evil will be cursed and the doers of good will be blessed by Nature... by God in normal good people words/ language. Think profoundly and deeply about those things and about your life. Good luck to you, with respect Robert Freemann.

The 8th DAY/ period of time is here upon us.

Until next time, with respect Robert Freemann.
