

## Essential/Vital Human Rights

- 1) Freedom of Speech = The Word.
- 2) Freedom of arms & tools.
- 3) Freedom of assembly.
- 4) Freedom to protest and to bring change.
- 5) Freedom of democracy and control/elimination of Corruption from the system.
- 6) Administration from the local/community level on up. No tyranny from up on down. Each community shall live how they choose in accord with their own culture. If that culture is not predatory or parasitic.
- 7) The predators/parasites shall be marginalized even eliminated, if possible, from the community and from the system.
- 8) Find God/Life Energy and evolve...cultivate yourself...with good/real seeds...Grow.
